SKILLS

- **Languages:** C, C++, Python, JavaScript
- **Technologies:** HTML, CSS, React
- **Databases/Tools:** PostgreSQL, MongoDB, Git, GitHub, Figma
- **Soft Skills:** Problem solving, Team collaboration, Time management, Adaptability, Leadership

PROJECTS

Habit Tracker | [GitHub](#)

Feb 2026 - Mar 2026

- Built a private daily habit tracker web app using React and Firebase, enabling users to track habits, navigate months, and sync data across devices.
- Implemented Google Authentication with Firebase, ensuring per-user data privacy and secure cross-device synchronization via Firestore.
- Designed progress tracking features including completion percentage, color-coded indicators, and streak counters for consecutive habit completion.
- Developed a Progressive Web App experience with home-screen installability, dark theme, and an editable habit management system.
- **Tech Stack:** React, Firebase (Firestore & Authentication), Vercel, Custom CSS

Currency Converter | [GitHub](#)

Nov 2025 - Dec 2025

- Developed a responsive currency converter web app using HTML, CSS, and JavaScript with real-time exchange rate conversion.
- Integrated the Exchange Rate API and Flags API to fetch live rates and display country flags dynamically for supported currencies.
- Implemented dynamic DOM manipulation and UI updates using JavaScript's Fetch API for seamless currency conversion.
- **Tech Stack:** HTML5, CSS3, JavaScript, Exchange Rate API, Flags API

TRAINING

Environmental Awareness (Community Development Project) | [Certificate](#)

May 2026 - Jul 2026

Participant / Contributor

- Identified and approached school students from Class 3 to Class 12 to encourage participation in an environmental awareness campaign.
- Conducted environmental awareness sessions with student groups, educating them on environmental issues and responsible practices.
- Encouraged student participation in the TCTC Online Quiz to boost campaign engagement and awareness.

CERTIFICATES

- Web Development For Beginners | [MindLuster](#) Jan 2026
- Python in Hindi | [MindLuster](#) Feb 2026
- Introduction to Artificial Intelligence | [Infosys Springboard](#) Mar 2026

ACHIEVEMENTS

- Solved more than 100 programming problems on LeetCode through consistent practice and problem-solving across multiple topics and difficulty levels.
- Solved more than 200 programming problems across various online coding platforms through regular practice and consistent learning.

EDUCATION

- **Lovely Professional University** Phagwara, Punjab
Bachelor of Technology - Computer Science and Engineering; CGPA: 8.62 Aug 2025 - Present
- **St. Xavier's High School** Ailwal, Azamgarh, UP
Higher Secondary Education; Percentage: 83.8% Apr 2021 - Mar 2023
- **St. Xavier's High School** Ailwal, Azamgarh, UP
Secondary Education; Percentage: 91.6% Apr 2019 - Mar 2021
